

34 YEARS AGAINST DOMESTIC VIOLENCE!

„Wider die Gewalt“ is **marking a strong sign against violence** since 34 years!

Former Austrian Chancellor Dr. Franz Vranitzky founded the non profit organisation “Against Domestic Violence” in May 1990.

Purpose of the organisation is to financially support programs fighting violence and support club charities helping the victims of violence.. The organisation is particularly focusing on violence in the family.

In favour of the original initiative the project became a public benefit. During the last **34 Years** the organisation could raise a total yield of more than **3,5 Million Euro!**

This amount could be reached with the help of more than **450 international artists** performing at the annual Benefit Gala in Vienna, the profit of the tickets, donations and corporate sponsoring.

The artists are all performing **free of charge**. The net profit of the different events throughout the year are transferred to the organisations who applied for a sponsorship during the year and have been selected by the Executive Board.

The gala event is very well recognised within the press world and has welcomed more than 450 artists over the past 25 years such as **ESC Winner Conchita, Melanie C, Paul Potts, OPUS, Xavier Naidoo, Wolfgang Ambros, Roland Kaiser, Jeanette Biedermann, Klaus Maria Brandauer, Christiane Hörbiger, DJ Ötzi, Rainhard Fendrich, Der Graf von Unheilig, Albert Hammond, Udo Jürgens, Semino Rossi, André Heller, Karl Markovics, Christina Stürmer, Bonnie Tyler** and many more.

The organisation was able to help over **280 associations and organisations** with the money raised to continue their work in helping the victims of violence.
